380-word blurb

It is the timeless beauty and tranquility that draws guests back to Bronte— a haven of luxury in one of Nelson’s most beautiful natural settings.

Nestled on the end of the historic Bronte Peninsula, overlooking the sparkling tidal waters of the Waimea Estuary, Bronte Country Estate is only 20 minutes from Nelson Airport and 45 minutes from the Abel Tasman National Park.

As Nelson’s Qualmark 5-star premium waterfront property, Bronte Country Estate is New Zealand owned and operated, and has belonged to the Fraser family for four generations.

Discover the sheer bliss of Bronte’s shoreline suites and villas, where the soft sea breeze and scented gardens work their gentle magic after a day’s adventures in the region. From the private verandas and patios, take in stunning views over the water to distant hills; the ebb and flow of the tide sets the rhythm for white herons, spoonbills, and other estuarine birds stalking gracefully across the inlet.

Enjoy sumptuous breakfasts served on the veranda in warmer months or in the formal dining room with its polished wooden floors and open fire on cooler mornings. Each villa and suite features king or king twin beds, ensuite bathrooms with shower, spa bath and dressing rooms, and comfortable lounge areas. The kitchenettes are fitted with a refrigerator, microwave, allowing you the freedom to bring back tasty morsels of local fresh produce and wines to enjoy in private, as well as complimentary drinks and snacks.

Bronte showcases commissioned artwork from top regional artists throughout the Homestead and accommodation, along with fresh flowers and fruits from the garden and family-owned orchards.

The garden at Bronte consists of two acres of formal gardens and an acre of parkland. Garden pathways meander beneath established trees, which provide shelter for many azaleas, rhododendrons and camellias. There are over 120 varieties of roses in the garden, and expansive views of the estuary and hills beyond can be enjoyed from all vantage points around the estate; a magical setting for formal functions and weddings.

Recreational facilities offered to guests include tennis and petanque courts and a heated salt-water swimming pool, as well as a Canadian canoe, mountain bikes, and dinghy.

The Estate produces its own wine from its small family-run vineyard and seasonal fruit from the family orchard for guests to enjoy.
